[Classic Book: Men - Firing Through all of Life](#)

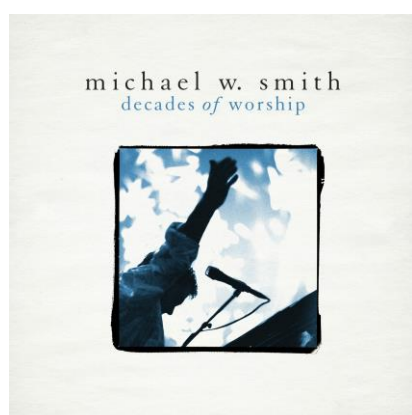

The mass of men live lives of quiet desperation.' - Henry David Thoreau

This is a book for men asking questions ... This is a book for men asking questions ...

This is a book for men who want to fix something.

[Michael W Smith - Decades of Worship or Third Day Wire](#)

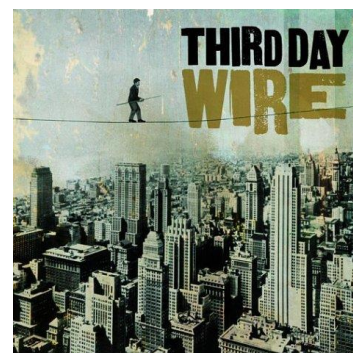

Available for the first time, Smith's top worship songs are all on one CD. Decades Of Worship features 12 total tracks comprising such classics as "Agnus Dei" and "A New Hallelujah" mentioned above as well as "Above All," "Mighty To Save," and "Breathe," among others.

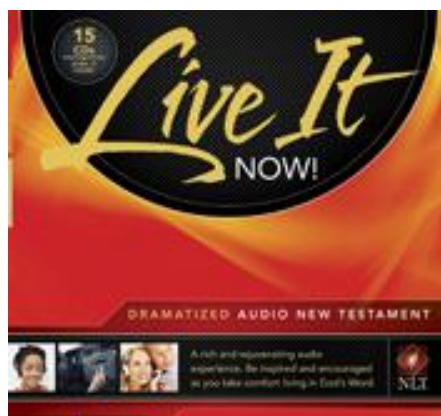

OR

Wire is the seventh album by Christian rock band Third Day.

The album's songs deal with numerous themes. "Wire", the title track, is a song about the pressure to succeed in modern society. "I Believe", "I Got a Feeling", "Innocent", and other tracks deal with sin, faith, and renewal from a Christian perspective. "Billy Brown" is a catchy song that explores the readiness of people to follow and even idolize entertainment figures.
